

Chaos and Quantum Chaos

- videos + notes
- videoconference Monday 13:00 starting April 19th
 - questions, comments about lecture
 - exercises presented by students
- homework: required for passing, presentation ↗

Chaos and Quantum Chaos

What you need:

mechanics, quantum mechanics, programming

What you need to do:

- Enrollment in OPAL :
 - homework upload
 - email notifications
- web page

What you can use it for:

- Vertiefung Theoretische Physik (Ba+Ma)
- Rigorosum, Ersatzrigorosum, IMPRS
