

## Research Associate f/m/d | Part-time (70%)

We are looking for you to enrich EBS. We are a private university committed to educating tomorrow's leaders, those leaders who want to make a difference in the world. Economically, socially and ecologically. We want to help shaping the change in our world for the better. With excellent knowledge transfer and by promoting personal social strengths. Our 2,200 students and further education participants study and conduct research at EBS Business School, EBS Law School and EBS Executive School, EBS plays a unique role in the German university landscape, thanks to our teaching concept of challenge-based learning, personal coaching, extra-curricular engagement and the particularly strong alumni network. EBS Universität für Wirtschaft und Recht belongs to SRH - a leading provider of educational and health services with 16,000 employees.

### What you can look forward to:

- ✓ "We, not ME" - a particularly collegial, team-oriented working atmosphere, open and honest communication
- ✓ "Can-do spirit". We are looking for people who assume responsibility in a positive way.)
- ✓ Exciting research projects for doctoral studies and intensive exchange with supervising professors and postdocs
- ✓ Interaction of science and practice

### Your responsibilities

- ✓ Following a structured Ph.D. program at an excellent private business school
- ✓ Presenting your research results on international conferences and writing of papers for international top journals
- ✓ Contributing to the Entrepreneurship & Family Firm Institute (EFFI) at EBS: Organizing events, planning, preparation and execution of projects
- ✓ Preparation and teaching of classes in the area of entrepreneurship and innovation
- ✓ Supervision of student papers

### Your profile

- ✓ Very good university degree in business, psychology, computer science, engineering or a related subject (Master, Diplom or comparable degree), ideally with a specialization in entrepreneurship
- ✓ Analytical skills and good knowledge of different research methods, very good English language skills and good German language skills
- ✓ Committed, able to work in a team, strong communication skills, and flexible
- ✓ Enjoying research and interested in project work

We are looking for the best. In this, we pay special attention to personality, talent, willingness to achieve and character. We emphasise expressly that all people - regardless of gender, nationality, ethnic and social origin, religion/ideology, disability, age and sexual identity - are all equally welcome here. Applicants with disabilities who have equal professional and personal aptitude will be given priority and/or training.
