

## Veronika Job, PhD

Technische Universität Dresden  
Faculty of Psychology

Zellescher Weg 17  
01069 Dresden, Germany  
E-mail: veronika.job@tu-dresden.de

### Education

---

Doctor of Philosophy (Ph.D.), University of Zurich, Department of Psychology, May 2007  
Doctoral Dissertation: Antecedents and Consequences of Motive-Goal Congruence  
*Summa Cum Laude* (Supervisor: Prof. Dr. V. Brandstätter)

Master of Arts (M.A.), University of Zurich, Dept. of Psychology, June 2003  
Master's Thesis: Development of an Implicit Association Test (IAT) for the Achievement and Affiliation Motive (Supervisor: Prof. Dr. F. Wilkening)

### Professional Positions

---

Professor of Social Psychology Faculty of Psychology, Technische Universität Dresden	2017 – present
Senior Teaching and Research Associate (equivalent to Assistant Professor) Department of Psychology, University of Zurich	2014 – 2017
Research Scientist (Ambizione grant awarded by the Swiss National Science Foundation), Department of Psychology, University of Zurich	2011 – 2014
Post-Doctoral Fellow, Department of Psychology, Stanford University (advisor: Carol S. Dweck)	2008 - 2010
Post-Doctoral Fellow, Department of Psychology, University of Zurich (advisor: Veronika Brandstätter)	2007 - 2008
Doctoral Student, Department of Psychology, University of Zurich (Thesis advisors: Veronika Brandstätter)	2003 - 2007

### Grants and Academic Awards

---

June 2016	Project funded by the Research Talent Development Fund (FAN) from the Alumni UZH „Development of beliefs about willpower in school-aged children“ Veronika Job (PI) Duration: 24 Months CHF 50'000
May 2015	Project funded by the <i>Deutsche Forschungsgemeinschaft</i> (DFG) “On the role of mental effort in ego depletion” Malte Friese (PI), Veronika Job & David Loschelder Duration: 36 Months Euro 212'825

- March 2015      Project funded by the *Swiss National Science Foundation*  
(100014\_159395)  
“Effects of Implicit Theories About Willpower on Self-Regulation, Goal Striving, and Well-Being: A Life-Span Perspective”  
Veronika Job (PI)  
Duration: 30 Months  
CHF 249'697
- September 2011      Young Scholar Grant from the *Jacobs Foundation*  
“Implicit Theories about Willpower: An Intervention Study”  
Duration: 18 Months  
CHF 34'380
- September 2010      *Ambizione* fellowship from the *Swiss National Science Foundation*  
(PZ00P1\_131858)  
“Implicit Theories about Willpower: Mechanisms, Replication, and Application”  
Duration: 36 Months  
CHF 566'454
- June 2008      P.I. Early Postdoc Mobility Fellowship from the *Swiss National Science Foundation* (PBZHP1-123313)  
“Implicit Theories on Willpower: What do Lay Theories about Self-Control Strength Matter?”  
Duration: 22 Months  
CHF 72'147
