

DATA PROTECTION AND CONSENT DECLARATION FOR REGISTRATING FOR THE DHAKA INNOVATION STUDY

1. Purpose and Data Collecting Entity

The personal data collected here (such as email address, first and last name, factory name) solely serve the purpose of registering for the Dhaka Innovation Study as indicated at the beginning of the form. The Dhaka Innovation Study is part of the research project Inno-Lead@Work. There is no data collection or processing beyond this scope. The entity responsible for this process is the team of the research project Inno-Lead@Work at TU Dresden.

2. Data Processing

The personal data you provide to TU Dresden will only be collected and processed to the extent necessary for the registration.

3. Voluntariness and Revocation

Providing your data is not associated with any further obligations. Additionally, the input is voluntary. You have the right to object to the processing of your data or to revoke your consent at any time. Similarly, you have the right to request an immediate deletion of your data.

4. Data Transmission

Unless otherwise required by law or expressly agreed upon in individual cases, there is no transmission of personal data to third parties.

5. Storage Duration

We will store your personal data until the end of December 2024, unless otherwise agreed.

6. Publication

Your registration will not be published.

7. Right to Information

I am aware that I can request information on data processed about me at any time, including the possible recipients of this data to whom it has been transmitted, and

that I am entitled to a response within one month of receipt of the request for information.

8. Data Protection Officer and Supervisory Authority for Data Protection

I am aware that I can contact the Data Protection Officer of TU Dresden [\[1\]](#) and the responsible supervisory authority [\[2\]](#) for data protection at any time.
