TAKE PART IN OUR ONLINE STUDY!

Families and parents **from pregnancy until the baby's first year of life**

What is this study about?

How do (expectant) parents experience the time surrounding the birth?
We are interested in:

- **Stress**
- **Well-being**
- **Supportive factors**

Why participate?

By participating, you help us better understand how to support families during pregnancy and the first year after birth.

Join the study now!

Scan the QR code or follow the link:

https://redcap.link/turtlestudy

Who can participate?

(Expectant) parents—and everyone who is part of the **family**, including siblings, grandparents, and other family members.
Feel free to participate together!
Each person should complete the questionnaire individually.

Time commitment

The survey takes approximately **25–30 minutes** to complete.
