Source Code Review for Scientific Issues: Version 1.0

— Kathrin Fucke

Kathrin Fucke presents her draft of a Source Code Review for Scientific Issues. The background is provided in the [presentation slides](#). The draft can be downloaded [here](#).

It will soon also be provided in a more checklist-like format.

Discussion: Should we write an article about how we implement open science practices in our Expras?

— Anne Gärtner

[Schönbrodt et al. \(2022\)](#) describe how open science practices can be implemented in 'Extras'. Anne Gärtner would like to discuss, whether OSIP should also write an article for Psychologische Rundschau to describe [practices at our faculty](#).

We will discuss the topic in detail at the next meeting.

The next OSIP meeting is scheduled for October 12 at 1:30 pm. The link to will be sent out via the mailing list about one week before the meeting. All OSIPs are welcome to propose topics.
