

Forschungsbereich 1, Projekt 18:

Project AERIAL-P8

PL: Prof. Gerhard Bühringer, Prof. Michael Rapp (Universität Potsdam)

Staff: Dr. Silke Behrendt, Dr. Daniel Schad (Universität Potsdam)

Duration: 02/2015 bis 01/2019

Funding: BMBF

As part of the project „Addiction: Early Recognition and Intervention Across the Lifespan (AERIAL)“, project AERIAL-P8 focuses on the identification of risk factor profiles for the onset and stability of alcohol use disorders and hazardous alcohol use. To achieve this goal, analyses of epidemiological data are conducted at Technische Universität Dresden (Prof. Gerhard Bühringer, Dr. Silke Behrendt) and the Universität Potsdam (Prof. Michael Rapp, Dr. Daniel Schad). The project started in 02/2015. It is funded by the Federal Ministry of Education and Research and is part of the Research Network on Mental Disorders
