

Prof. Dr. Hiromi Yamashita Biography

	
Name: Prof. Dr. Hiromi Yamashita	
Organization: Osaka University	
Profile Weblink: http://www.mat.eng.osaka-u.ac.jp/msp1/MSP1-HomeJ.htm	
<p>Hiromi Yamashita has been a professor of Osaka University since 2004. He received PhD degree from Kyoto University in 1987. He was an assistant professor of Tohoku University, an associate professor of Osaka Prefecture University, and an invited professor of University Pierre and Marie Curie. He was also visiting research fellows of the Pennsylvania State University, the University of Texas at Austin, California Institute of Technology. He is now an editor of Applied Catalysis B, associate editor of Journal of Photochemistry and Photobiology C, a vice-president of Catalysis Society of Japan and a vice-president of Asia-Pacific Association of Catalysis Societies (APACS). He received awards from Catalysis Society of Japan, Japanese Photochemistry Association, Japan Society of Coordination Chemistry, the Japan Petroleum Institute, the Japan Institute of Metals and Materials. His research interests include the design of single-site photocatalysts and nanostructured catalysts.</p>	

Awards and Scholarships:

September 2016	Advanced Award <i>Japan Society of Coordination Chemistry</i>
March 2015	Award <i>Catalysis Society of Japan</i>
November 2009	Award <i>Japanese Photochemistry Association</i>
March 2004	Advanced Award <i>Japan Institute of Metals and Materials</i>
March 1998	Young Advanced Award <i>Catalysis Society of Japan</i>
May 1997	Young Advanced Award <i>The Japanese Petroleum Institute</i>
