

Prof. Takayoshi Sasaki Biography

Name: Prof. Takayoshi Sasaki

Organization: National Institute for Materials Science

Profile Weblink: <http://www.nims.go.jp/softchem/index.html>

Takayoshi Sasaki is a Director of International Center for Materials Nanoarchitectonics (WPI-MANA) at National Institute for Materials Science (NIMS) in Japan. He received his PhD in Chemistry from the University of Tokyo in 1985. Since 1980, he has been working for the National Institute for Research in Inorganic Materials (NIRIM, now NIMS), Japan. In 2009, he was appointed as a NIMS fellow. His recent interest has focused on 2D oxide and hydroxide nanosheets obtained by delaminating layered materials. He has published about 400 original papers and invited review articles.
