

INDUSTRY MEETING

Mechanical & Plant Engineering

January 24, 2024 | 3:30 pm–6:00 pm

Fritz Förster Building
Mommsenstraße 6, Dresden

INDUSTRY MEETING *Mechanical & Plant Engineering*

Are you looking for engineers or scientists?

TU Dresden is a front-runner in Research Priority Areas such as Information Technology and Microelectronics as well as Materials Science and Engineering. Graduates are optimally equipped to tackle crucial challenges in the mechanical and plant engineering sector.

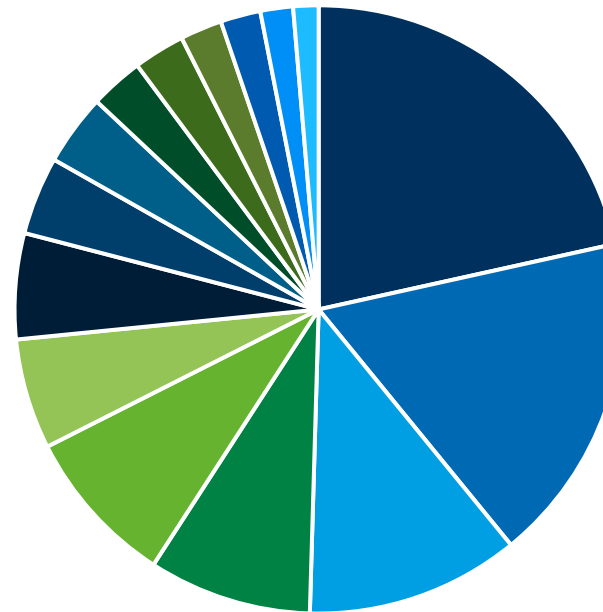

What you can expect

The Industry Meeting is a popular careers event which ignites enthusiasm for forward-looking industries and enables you to easily connect with TU Dresden students.

Your advantages

Present yourself **exclusively** to students **specializing in your field of choice** as one of only 15 employers. Get students excited about your vacancies, hold initial interviews and **boost awareness for your company** at TU Dresden.

Present your company at the INDUSTRY MEETING at Dresden University of Technology!

Terms and conditions

1. Conclusion of contract/Registration

A contract is concluded once TU Dresden or the Career Service has expressly confirmed the registration in writing. Notification by fax or e-mail complies with the contract confirmation in writing requirement. Once confirmed, registration for the Industry Meeting is binding and you are obliged to pay the applicable fee and to participate in the agreed format. Companies whose areas of business include university marketing or personnel placement/employee leasing are not invited to take part in the Industry Meeting.

2. Data protection

Personal data which students provide to companies in the course of the Industry Meeting will not be passed on to third parties beyond the participating organization, unless otherwise agreed upon between the student and the company. Photos taken during the event that reveal the identity of the participants require the express permission of the participating students.

Your registration details will not be published or transferred to third parties. The provision of your data is of course voluntary. You may at any time request the erasure of your data, and to obtain information on the data processed concerning your person, as well as the possible recipients of this data. You are entitled to a reply within one month of the receipt of your request for information. Your contact for this purpose is Susan Wildenhain, TU Dresden, Unit 8.6. – Career Service, 01062 Dresden, Tel.: +49 351 463 42399. You may contact the [Data Protection Officer](#) of TU Dresden and the responsible [supervisory authority for data protection](#) at any time.

3. Liability disclaimer

The organizer or its representatives and persons acting on their behalf shall not be liable for the achievement of the contractual or economic objectives of the company and shall not be liable for damages, consequential damages or injuries of any kind that may arise from participation in the Industry Meeting, unless caused by intent or gross negligence. TU Dresden is also not liable for damages and consequential damages caused by persons who are neither staff of TU Dresden nor acting on their behalf.

4. Invoicing

Invoices are issued upon registration or after the service has been provided. Payment shall be made without deductions within 14 days of invoicing, stating the assigned invoice number. Please note that our service packages are binding. If you have booked the standard package and use services that go beyond the scope of this package, we will invoice the price of the premium package.

5. Final Regulations

If one of the aforementioned provisions should become invalid, the validity of the remaining provisions shall remain unaffected. In this case, the invalid clause will be replaced by a provision that comes closest to the invalid clause in terms of its economic purpose and intention.
