

20. CAREER FAIR BRANCHENTREFF

Hightech

January 19th 2023 | 1–6 pm

Online

BRANCHENTREFF *Hightech*

Are you a high-tech company? Are you looking for young professionals from the STEM fields of study?

TU Dresden is a leader in research profiles such as bioengineering, information technology and microelectronics, smart materials, energy, transport and environment. This enables us to tackle the issues of our future – climate, mobility and digitalization – in an inter- and transdisciplinary way.

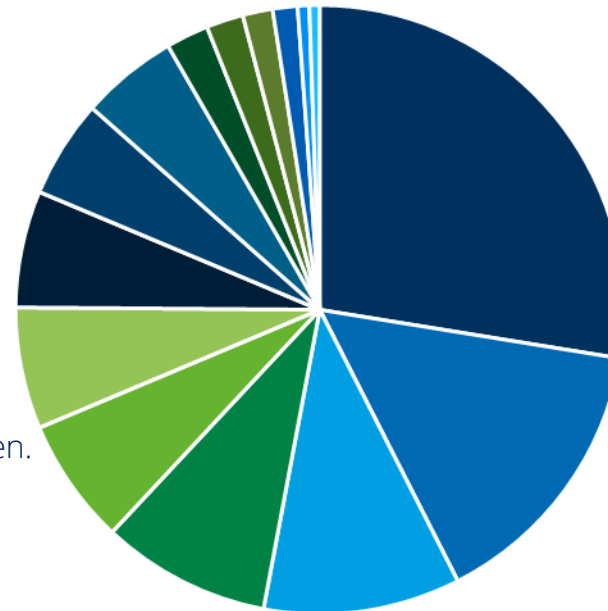

Our offer

A virtual career event that inspires enthusiasm for future-ready industries that will connect you with students at Technische Universität Dresden in an uncomplicated way via live stream.

Your benefits

You present yourself exclusively as one of only 20 employers to students from fields of study that you chose. You inspire the students for your open positions, conduct initial interviews and strengthen your profile as an employer at this event at TU Dresden.

Introduce your company online at the BRANCHENTREFF at Technische Universität Dresden!

REGISTRATION DEADLINE: OCTOBER 30, 2022

Terms and conditions of participation

1. Conclusion of contract/registration

A contract is concluded when TU Dresden/Career Service expressly confirms the registration in writing. The written form is fulfilled by sending a fax or an email. Assuming confirmation, the registration for the Career Fair Branchentreff is binding and obligates the participant to pay the applicable fee as well as to participate in the agreed form. Companies whose business fields include university marketing or personnel placement/employee leasing are not scheduled to attend the Branchentreff.

2. Data protection

Personal data that students provide to the company as part of the Branchentreff will not be passed on to third parties outside the participating organization unless there is an agreement to the contrary between the student and the company. A recording of the virtual event is not intended. Image recordings during the virtual event that indicate the identity of the participants require the express permission of the participating students.

Your registration data will not be published or transmitted to third parties. Your contact person for this is Susan Wildenhain, TU Dresden, SG 8.6 - Career Service, 01062 Dresden, T: +49 351 463 42399.

Of course, providing your data is voluntary; you have the right to have it deleted at any time and to request information about the data processed about you and the possible recipients of this data to whom it was transmitted. You are entitled to a reply within one month of receipt of the request for information. You can contact the data protection officer of TU Dresden (https://tu-dresden.de/impressum#ck_datenschutz) as well as the competent supervisory authority for data protection at any time (<https://www.saechsdsb.de/datenschutzerklaerung/580-datenschutz>).

3. Disclaimer

The organizer or its representatives and authorized persons are not liable for the achievement of the contractual or economic goals of the company and not for damages and consequential damages or injuries of any kind that may result from participation in the Branchentreff, unless they are caused by intent or gross negligence. TU Dresden is also not liable for damages and consequential damages caused by persons who are neither employees of TU Dresden nor acting on its behalf.

4. Invoicing

Invoicing is made as of registration or after the service has been rendered. Payment will be made without deductions within 14 days of invoicing, quoting the assigned invoice number. Please note that our service packages are binding. If you use services that have not been booked, we will invoice you for these as an additional charge.

5. Final provision

In the case of invalidity of one of the preceding clauses, the validity of the remaining clauses shall remain unaffected. In this case, the invalid clause shall be replaced by a clause that comes closest to the invalid clause in terms of its economic purpose and intent.
