Blended Intensive Programme in Geriatrics (BIP)

11th Jun – 19th Jul · 2024

Goals

The course aims to provide a multidisciplinary approach to the knowledge and skills necessary for good Geriatrics practice, taught by professionals from various areas of health. This course aims to raise awareness of preventing the most frequent diseases in this age group, their screening or early recognition and appropriate treatment.

4,5 ECTS

Fees

Free Course (The fee for a Certificate of Completion is 5 Euros)
