Notes:
 1) The ZJU International Campus, located in Haining (conveniently situated between Shanghai and Hangzhou), has adopted a model of creating Joint Institutes with partner universities, and Joint Institutes have already been successfully established with the University of Edinburgh and the University of Illinois at Urbana-Champaign (ZJU-UoE and ZJU-UIUC Institutes). Besides, Zhejiang University International Business School (ZIBS) was founded.
 *Please be kindly noted that, courses offered by ZJUI and ZIBS are also open to international exchange students. **Due to the course schedule arrangement, the exchange students who choose ZJUI or ZIBS for their host college need to attend 2 weeks-spring courses in advance at the end of the winter semester, in the middle of January approximately.**
