

Department Requirements for Exchange Students at NCKU, 2025-2026 Academic Year

Required documents in common by the Student Exchange Program (for all departments)

1. Headshot photo 2. Official enrollment certificate 3. Latest official transcript in English (Postgraduate students' transcripts should include both undergraduate and graduate records)	4. Study plan for the exchange period 5. Financial statement issued by a bank/financial institution 6. Passport's personal information page	7. Photo ID, both sides (optional) 8. Other supporting documents (optional) 9. Confirmation page
--	---	--

Additional Requirements of Individual Departments are listed below.

College of Liberal Arts

Department	Fall Semester	Spring Semester	Departmental Requirements	Course Requirements
Department of Chinese Literature	V	V	Undergraduate & Postgraduate 1. Basic proficiency in Chinese (listening, speaking, reading and writing) is required as all courses are instructed in Chinese. 2. Applicants from non-Chinese speaking countries are required to submit a Chinese proficiency certificate of or above TOCFL level 3 or HSK level 5. 3. Autobiography, study plan and recommendation letter in Chinese are required.	No basic Chinese language courses provided. All courses are instructed in Chinese. Undergraduate: Must take at least one course of the department. Postgraduate: Must take at least one course of the institute.
Department of History	V	V	Undergraduate & Postgraduate 1. Applicants are required to submit a Chinese proficiency certificate (equivalent to CEFR A2) and an English proficiency certificate (equivalent to CEFR B2). 2. An average GPA of 3.0 or above is required.	Most courses are instructed in Chinese. Undergraduate: Must take at least one course of the department. Postgraduate: Must take at least two courses of the institute.

<p>Department of Foreign Languages & Literature</p>	<p>V</p>	<p>V</p>	<p>Undergraduate</p> <ol style="list-style-type: none"> 1. Basic proficiency in Chinese language (listening, speaking, reading and writing) is required. 2. Applicants from non-English speaking countries are required to submit an English proficiency certificate (TOEFL, TOEIC, IELTS, equivalent to CEFR B2) which was taken within two years. 3. Transcripts, autobiography and study plan in English are required. 4. An average GPA of 2.5 or above in previous years is required. <p>Postgraduate</p> <ol style="list-style-type: none"> 1. Applicants from non-English speaking countries are required to submit TOEFL-iBT 80 which was taken within two years. 2. Autobiography, statement of purpose in English and Personal English writings, including individual works, academic publications, thesis, or writing samples are required. 3. Applicants for graduate programs should specify their group, "literature" or "linguistics/TESL", in the study plan. 4. An average GPA of 2.5 or above in previous years is required. 	<p>Exchange students from the other departments are not allowed to take courses which are marked with "FLLD only".</p> <p>Most courses are instructed in English.</p> <p>Undergraduate Exchange students are required to take at least one B2 course offered by the department.</p> <p>Postgraduate Exchange students are required to take at least one K2 course each semester.</p>
<p>Department of Taiwanese Literature</p>	<p>V</p>	<p>V</p>	<p>Undergraduate</p> <ol style="list-style-type: none"> 1. Applicants are required to submit Taiwanese or Chinese proficiency certificates (equivalent to CEFR B1). 2. Applicants, who have taken Taiwanese or Chinese language classes, will have priority during evaluation. 3. Autobiography and study plan in Taiwanese or Chinese are required. <p>Postgraduate</p> <ol style="list-style-type: none"> 1. Applicants are required to submit Taiwanese, Chinese or English proficiency certificates (equivalent to CEFR B1). 2. Applicants, who have taken Taiwanese, Chinese or English language classes, will have priority during evaluation. 3. Autobiography and study plan in Taiwanese, Chinese or English are required. 	<p>Most courses are instructed in Chinese.</p>

Institute of Archaeology	V	V	<p>Master's Only</p> <ol style="list-style-type: none"> 1. Applicants are required to submit a Chinese proficiency certificate (equivalent to TOCFL A2) and an English proficiency certificate (equivalent to CEFR B1). 2. Autobiography and study plan in English or Chinese are required. The content should include academic specialization, motivation, knowledge of the institute, and study plan for the exchange period at NCKU. 3. Two Recommendation Letters. 4. An average GPA of 3.0 or above is required. 	<p>Most courses are instructed in Chinese. Must take at least one course of the institute.</p>
MA Program in Drama	V	V	<p>Master's Only</p> <ol style="list-style-type: none"> 1. Applicants from non-Chinese speaking countries are required to submit a Chinese proficiency certificate (equivalent to TOCFL A2). 2. Autobiography and study plan in Chinese are required. 3. An average GPA of 3.0 or above is required. 	<p>All courses are instructed in Chinese. Must take at least one course of the department.</p>
Institute of Art Studies	V	V	<p>Postgraduate (Students from China may not apply for)</p> <ol style="list-style-type: none"> 1. Applicants from non-Chinese speaking countries are required to submit a Chinese proficiency certificate (equivalent to TOCFL A2). 2. Autobiography and study plan in Chinese are required. 3. An average GPA of 3.0 or above is required. 	<p>All courses are instructed in Chinese. Must take at least one course of the department.</p>

College of Science

Department	Fall Semester	Spring Semester	Departmental Requirements	Course
Undergraduate: Department of Mathematics Postgraduate: Department of Applied Mathematics	V	V	Undergraduate and Postgraduate (Students from China may not apply for) 1. Applicants from non-Chinese or non-English speaking countries are required to submit a Chinese or English proficiency certificate (equivalent to CEFR B2). 2. Recommendation letters and Education certificates are required. 3. An average GPA of 3.0 or above is required.	Most teaching materials are in English but are taught in Chinese. Must take at least one required or elective core course of the department.
Department of Chemistry	V	V	Postgraduate 1. Applicants are required to submit a Chinese proficiency certificate of or above TOCFL A2. 2. Applicants from non-English speaking countries are required to submit English proficiency certificates (equivalent to CEFR B2). 3. Two recommendation letters are required. 4. An average GPA of 4.0 or above is required.	Most courses are instructed in Chinese. Must take at least one course of the department.
Department of Physics	V	V	Undergraduate (Students from China may not apply for) 1. Applicants are required to submit a Chinese proficiency certificate of or above TOCFL Level 3 or HSK Level 5. 2. Two recommendation letters are required. 3. An average GPA of 3.0 or above is required. Postgraduate (Students from China may not apply for) 1. Applicants from non-English speaking countries are required to submit an English proficiency certificate (e.g., TOEFL, TOEIC, IELTS, or equivalent to CEFR B2) taken within the past two years. Alternatively, applicants who have studied and obtained degrees from English-speaking countries may submit their diplomas as proof of English language proficiency. 2. Two recommendation letters are required. 3. An average GPA of 3.0 or above is required.	Undergraduate All courses are offered in Chinese. Postgraduate All courses are offered in English. Must take at least one course of the institute.

Department of Earth Sciences	V	V	Undergraduate and Postgraduate 1. Applicants from non-English speaking countries are required to submit English proficiency certificates (equivalent to CEFR B2). 2. An average GPA of 3.0 or above is required.	Unlimited
Department of Photonics	V	V	Undergraduate and Postgraduate 1. Applicants from non-English speaking countries are required to submit English proficiency certificates (equivalent to CEFR B2). 2. Applicants from non-Chinese speaking countries are required to submit a Chinese proficiency certificate of or above TOCFL A2. 3. Applicants for Master's and Ph.D. programs are required to submit an acceptance letter from the department's supervisor. The form can be downloaded from the department's website. 4. An average GPA of 3.0 or above is required.	Unlimited
Institute of Space and Plasma Sciences	V	V	Master's Only (Students from China may not apply for)	Most courses are instructed in English. Must take at least one course of the institute.

College of Engineering

Department	Fall Semester	Spring Semester	Departmental Requirements	Course
Department of Mechanical Engineering	V	V	<p>Undergraduate & Postgraduate (Students from China may not apply for)</p> <ol style="list-style-type: none"> 1. Applicants from non-Chinese or non-English speaking countries are required to submit a Chinese (TOCFL A2) or English proficiency certificate (equivalent to CEFR B2). 2. Two recommendation letters are required. 3. An average GPA of 3.0 or above is required. 	<p>Most courses are instructed in Chinese. Must take at least one course of the institute.</p>
Department of Chemical Engineering	V	V	<p>Undergraduate</p> <ol style="list-style-type: none"> 1. Applicants are required to submit a Chinese proficiency certificate (TOCFL Level 2, HSK Level 4) or proof of learning Chinese for at least one year. 2. A recommendation letter is required. <p>Postgraduate</p> <ol style="list-style-type: none"> 1. Applicants from non-English speaking countries are required to submit English proficiency certificates (TOEFL, TOEIC, IELTS) or transcripts of English-taught courses. 2. A recommendation letter is required. 	<p>Undergraduate All courses are instructed in Chinese. Applicants should have sufficient Chinese skills. Must take at least one course of the institute.</p> <p>Postgraduate Some professional courses are taught in English. Must take at least one course of the institute.</p>
Department of Civil Engineering	V	V	Unlimited	<p>Undergraduate All courses are instructed in Chinese. Must take at least one course of the institute.</p> <p>Postgraduate Half of the courses are taught in English. Must take at least one course of the institute.</p>
Master of the International Institute of Medical Device Innovation (MDI)	V	V	<p>Master's Only (Students from China may not apply for)</p> <ol style="list-style-type: none"> 1. Applicants are required to submit English proficiency certificates (IELTS, TOEFL, TOEIC, equivalent to CEFR B2). 2. Two recommendation letters are required. 	<p>All courses are instructed in English. Must take at least one course of the Institute.</p>

Department of Materials Science & Engineering	V	V	<p>Undergraduate & Postgraduate</p> <ol style="list-style-type: none"> 1. Applicants from non-English speaking countries are required to submit English proficiency certificates (TOEIC, TOEFL, IELTS). 2. Applicants from non-Chinese speaking countries are required to submit a Chinese proficiency certificate of or above HSK Level 3 or TOCFL Level 3. 3. Two recommendation letters are required. 4. An average GPA of 3.0 or above is required. 	<p>Most courses are instructed in Chinese. Must take at least one course of the department/institute.</p>
Department of Hydraulic & Ocean Engineering	V	V	<p>Postgraduate Only (Students from China may not apply for)</p> <ol style="list-style-type: none"> 1. Applicants from non-English speaking countries are required to submit English proficiency certificates (TOEFL, TOEIC, IELTS, equivalent to CEFR B2). 2. A recommendation letter is required. 	<p>Most courses are instructed in English.</p>
Department of Engineering Science	V	V	<p>Undergraduate & Postgraduate</p> <ol style="list-style-type: none"> 1. A recommendation letter is required. 2. An average GPA of 2.5 or above is required. 	<p>Most courses are instructed in Chinese.</p>
Department of Systems & Navel Mechatronic Engineering	V	V	<p>Undergraduate (Students from China may not apply for)</p> <ol style="list-style-type: none"> 1. Applicants from non-English speaking countries are required to submit English proficiency certificates (TOEFL, TOEIC, IELTS). 2. A recommendation letter is required. 3. An average GPA of 3.0 or above is required. <p>Postgraduate (Students from China may not apply for)</p> <ol style="list-style-type: none"> 1. Applicants from non-English speaking countries are required to submit English proficiency certificates (TOEFL, TOEIC, IELTS). 2. A recommendation letter is required. 3. Applicants for Master's and Ph.D programs are required to submit a consent letter from the department's supervisor. 4. An average GPA of 3.0 or above is required. 	<p>Undergraduate All courses are instructed in Chinese. Postgraduate Most courses are instructed in Chinese. Must take at least one course of the department/institute.</p>

Department of Aeronautics & Astronautics	V	V	<p>Undergraduate & Postgraduate (Students from China may not apply for)</p> <ol style="list-style-type: none"> 1. Applicants from non-English speaking countries are required to submit English proficiency certificates (TOEFL, TOEIC, IELTS, equivalent to CEFR B1). 2. Applicants from non-Chinese speaking countries are required to submit a Chinese proficiency certificate of or above HSK Level 3 or TOCFL Level 2. 3. Two recommendation letters are required. 4. An average GPA of 2.5 or above is required. 	<p>Undergraduate Most courses are instructed in Chinese. Must take at least one course of the department/institute.</p> <p>Postgraduate Some of the courses are conducted in English. Must take at least one course of the department/institute.</p>
Department of Resources Engineering	V	V	<p>Undergraduate (Students from China may not apply for)</p> <ol style="list-style-type: none"> 1. Applicants from non-English speaking countries are required to submit English proficiency certificates (TOEFL, TOEIC, IELTS, equivalent to CEFR B2). 2. Applicants are required to submit a Chinese proficiency certificate of or above HSK Level 7 or TOCFL Level 4. 3. Two recommendation letters are required. 4. Professional achievements or any other documents that would be advantageous for the application review. 5. An average GPA of 3.0 or above is required. <p>Postgraduate (Students from China may not apply for)</p> <ol style="list-style-type: none"> 1. Applicants from non-English speaking countries are required to submit English proficiency certificates (TOEFL, TOEIC, IELTS, equivalent to CEFR B2). 2. Two recommendation letters are required. 3. Professional achievements or any other documents that would be advantageous for the application review. 4. An average GPA of 3.0 or above is required. 	<p>Most courses are instructed in Chinese. Must take at least one course of the department/institute.</p>

<p style="text-align: center;">Department of Environmental Engineering</p>	V	V	<p>Undergraduate</p> <ol style="list-style-type: none"> 1. Applicants from non-English speaking countries are required to submit English proficiency certificates (TOEFL, TOEIC, IELTS, equivalent to CEFR B1). 2. Applicants from non-Chinese speaking countries are required to submit a Chinese proficiency certificate of or above HSK Level 4 or TOCFL Level 2. 3. Professional achievements or other supporting documents will be a plus. <p>Postgraduate</p> <ol style="list-style-type: none"> 1. Applicants from non-English speaking countries are required to submit English proficiency certificates (TOEFL, TOEIC, IELTS, equivalent to CEFR B2). 2. Applicants for the Ph.D. program should submit their thesis copies or other related publications. 3. Professional achievements or other supporting documents will be a plus. 	<p>Undergraduate Most courses are instructed in Chinese.</p> <p>Postgraduate Most courses are instructed in English.</p> <p>Must take at least one course of the Department.</p>
<p style="text-align: center;">Department of Biomedical Engineering</p>	V	V	<p>Undergraduate (Students from China may not apply for)</p> <ol style="list-style-type: none"> 1. Applicants are required to submit English proficiency certificates (TOEFL, TOEIC, IELTS, equivalent to CEFR B2). 2. Applicants are required to submit a Chinese proficiency certificate (TOCFL Level2). 3. Two recommendation letters are required. <p>Postgraduate (Students from China may not apply for)</p> <ol style="list-style-type: none"> 1. Applicants are required to submit English proficiency certificates (TOEFL, TOEIC, IELTS, equivalent to CEFR B2). 2. Two recommendation letters are required. 	<p>Undergraduate Most courses are instructed in Chinese.</p> <p>Postgraduate Most courses are instructed in English.</p> <p>Must take at least one course of the Department.</p>

Department of Geomatics	V	V	<p>Undergraduate (Students from China may not apply for) Applicants from non-Chinese speaking countries are required to submit a Chinese proficiency certificate of or above HSK Level 4 or TOCFL Level 2, equivalent to CEFR A2.</p> <p>Postgraduate (Students from China may not apply for) Applicants from non-English speaking countries are required to submit an English proficiency certificate (TOEFL, TOEIC, IELTS) which was taken within three years.</p>	<p>Undergraduate Most of the courses are instructed in Chinese. Must take at least one course of the Department.</p> <p>Postgraduate All courses are instructed in English.</p>
Institute of Ocean Technology & Marine Affairs	V	V	<p>Postgraduate</p> <ol style="list-style-type: none"> Applicants are required to submit English proficiency certificates (TOEFL, TOEIC, IELTS). Applicants are required to submit a Chinese proficiency certificate (equivalent to CEFR B1). Two recommendation letters are required. Applicants for the Ph.D. program should submit their thesis copies or other related publications. An average GPA of 2.5 or above is required. 	<p>Must take at least two courses of the Department.</p>
International Degree Program on Energy Engineering	V	V	<p>Undergraduate & Postgraduate (Students from China may not apply for)</p> <ol style="list-style-type: none"> Applicants from non-English speaking countries are required to submit English proficiency certificates (equivalent to CEFR B2). Two recommendation letters are required. An average GPA of 2.5 or above is required. 	<p>Undergraduate & Postgraduate: All courses are instructed in English. Must take at least one course of the Department.</p>
International Master Program on Natural Hazards Mitigation and Management	V	V	<p>Master's Only (Students from China may not apply for)</p> <ol style="list-style-type: none"> Applicants from non-English speaking countries are required to submit English proficiency certificates (IELTS, TOEFL, TOEIC, equivalent to CEFR B2). One recommendation letter is required. 	<p>All courses are instructed in English.</p>
