Courses

- The language of instruction at Taiwan Tech is mainly Chinese; however, the university offers more than 160 courses in English every semester at Graduate Level, and more English-taught courses are developing at the Undergraduate level.
- An Engineering program at the Undergraduate level 'International Advanced Technology Program' is available in English. <https://iatp.ntust.edu.tw/>
- Course selection information will be announced by the Academic Affairs Office. Course lists are usually announced 1-2 months before the semester starts.
- Detailed information on courses can be found at <https://querycourse.ntust.edu.tw/querycourse/> Please select 'other' and tick English Program. If the course list is not available for 2023 fall semester, you could refer to 2022 fall instead as most courses will be similar but subject to change.

Minimum Credits or course selection regulation per semester

Bachelor: 9 credits. Students in the last year of bachelor's level are allowed to take courses at the Master's level.

Master: 1 course. Students could take courses in different departments.

Ph.D.: 1 course. Students could take courses in different departments.

Note: 1 credit = 16+2 teaching hours, 1 course = 2 or 3 credits.

Each course lasts a semester (16+2 weeks). 1 credit is equal to 2 ECTS credits.

Free Mandarin Chinese Program

The Chinese Language Program (CLP) at Taiwan Tech is designed especially for international students and other Chinese learners. This program focuses on daily conversation on various topics, such as eating, clothing, living, transportation, and entertainment. The CLP is offered by the Language Center and a placement test will be conducted at the beginning of the semester.

Accommodation

Taiwan Tech is not able to provide on-campus. However, we have a list of housing agents/contacts, and will forward the information to students who need flats during their stay at Taiwan Tech.

Exchange Student Application Procedure
