At Tecnológico de Monterrey, Mexico City Campus, we have a wide variety of courses taught in English, and we strive to increase our course offer every year. The updated list for each term can be reviewed at our Study in Mexico webpage which can be found in the following link:  https://prd28pi01.itesm.mx/Recepcion/StudyInMexico?ln=es  however we provide a list of the courses we offered during 2019 for an easier review.

The list is divided in six main fields, each with its own departments:

**Humanities & Education:** Humanistic Studies, Languages, Media and Digital Culture

**Social Sciences & Government:** Law, Political Science and International Relations, and Economy

**Business:** Accounting and Finance, Entrepreneurship, Management and Leadership, Marketing and Analysis, and International Business and Logistics.

**Architecture & Design:** Architecture, Arts, and Design.

**Engineering & Science:** Bioengineering, Sciences, Computer Sciences, Industrial Engineering, Mechatronics, Sustainable Technologies and Civil Engineering, and Mechanics and Advanced Materials.

**Medicine & Health Sciences:** Basic Sciences, Health Sciences, Clinical Psychology and Health, and Nutrition and Wellness.

### HUMANITIES AND EDUCATION

**Humanistic Studies**

The course offering showed here corresponds to the academic offering in English during the year 2019 at **Mexico City Campus**, therefore it is for informative purposes only and courses might change year to year.

We encourage our students to get approval for at least 12 courses from their Home University in case one of the selected courses is full, closed, overlapping or offered in a different language.

Should you require further information, please contact the International Programs Office
