

General Information

Founded in 1943, Tecnológico de Monterrey is a private University located in Mexico with 26 campuses across the country and a population of more than 9,000 professors and over 90,000 students enrolled in high-school, undergraduate and graduate programs.

Ranked among the top 200 universities in the world and with a rating of five QS stars, Tecnológico de Monterrey achieved full marks in the categories of internationalization, innovation, employability, facilities and specialist criteria.

Tecnológico de Monterrey strives to develop the students' professional and human potential through a high academic level, state-of-the-art resources and experiences that will help them nourish and transform the world they live in, with an international and broad perspective.

Nomination and Application Process

Nomination

- 1) Go to studyinmexico.tec.mx/nominate.
- 2) Select the right option and input the code you got via email from our Central Office. If you didn't get the code, fill out the form to get it. If you have another issue while nominating, please contact studyinmexico@itesm.mx for assistance.

After nomination

- 1) Students will receive an email with the information to start the application after they are nominated. **Please ask your students to check their junk and spam folders** if they don't get the email automatically.
- 2) As an admission requirement, students must upload a scan of their valid passport.
- 3) The admission decision will be sent via email.

Academic Offering

Tecnológico de Monterrey offers several undergraduate degrees under 6 different schools, all with a wide variety of courses in English and Spanish each term, providing students with a rich overview of different perspectives from various cultures:

Medicine and Health Sciences

Humanities and Education

Social Sciences and Government

Business

Engineering and Sciences

Architecture and Design

The course catalog becomes available before the beginning of each semester. For Summer and Fall 2022, the tentative catalog will become available on March 31st, 2022, and can be reviewed at the following website:

[Course Catalog](#)

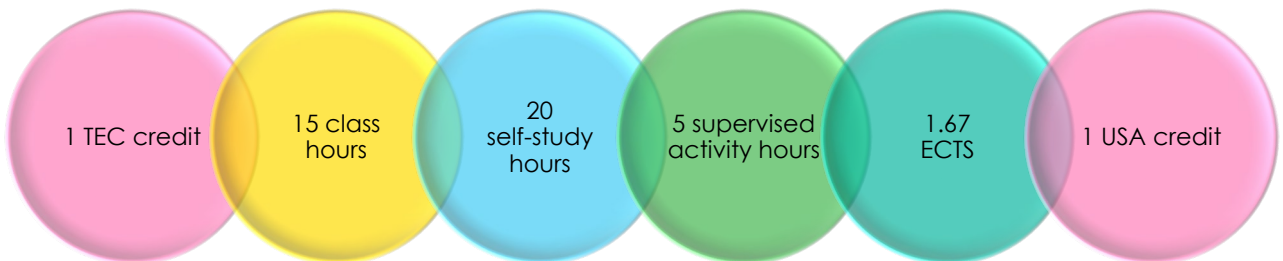

- For the Summer 2022 term, the only available campuses will be Ciudad de México, Estado de México, Guadalajara, Monterrey, Santa Fe, and Querétaro.
- For the Fall 2022 term, the only available campuses will be Ciudad de México, Guadalajara, Monterrey, Santa Fe (only for business), and Querétaro.
- Not all campuses offer the 47 disciplines. Medicine and Health Sciences is only available in Monterrey, Guadalajara, and Ciudad de México.

Credits and Evaluation

The number of credits given by a course is defined by the number of class hours and self-study time a student must spend weekly in the subject.

TEC21 Model

- ▶ Each course provides different amounts of credits.
- ▶ Courses can last 5, 10 or 15 weeks.
- ▶ A full academic workload is considered at 18 TEC credits (30 ECTS or 18 USA credits).
- ▶ Attendance to courses is mandatory.
- ▶ Class size averages 30 students.
- ▶ Homework is assigned regularly.
- ▶ Courses are offered in three models: remotely, hybrid, and in-person
- ▶ Minimum passing grade of 70/100.

Available programs

Each campus offers a unique experience, and among the offering, all students are able to find a program that suits their profile and fulfills their expectations of our country

Migration Process

The migration process is defined by the nationality of the student.

★ **Non-restricted nationalities:** Require an FMM (migratory form obtained upon entry to the country), but do not need a visa if the stay is for 180 days or less (semester or summer).

★ **Restricted nationalities:** Require a visa that must be issued at any Mexican consulate or embassy, regardless of the time of stay. To review the list of restricted nationalities, visit:

<https://bit.ly/INMrequiredvisa>

Everyone coming to Mexico for more than 180 days (a year or more), is required to have a visa.

Health Insurance

All students participating on our international programs are required to get the SURA health insurance recommended by Tecnológico de Monterrey. The insurance must be bought before arriving to Mexico

The insurance can be acquired at <https://segurossuratravel.com/en/>.

Once bought, students must send a copy of their policy (PDF file) by filling out the following form: <https://form.jotform.com/ProgIntCSC/Segurodegastosmedicos>.

Accommodation

Each campus has different accommodation options. Please note that not all the options are available at all campuses and the cost for each varies from city to city.

Home Stay Program

Live with a Mexican family and learn about our culture and traditions while experiencing the Mexican hospitality.

Off-Campus accommodation

List of housing options around campus, ranging from rooms to complete houses. All arrangements must be handled by the students.

On-Campus Residence Halls

Residences managed by Tecnológico de Monterrey providing a suitable environment for national & international students.

To review availability of the different accommodation options in a specific campus, please visit <https://bit.ly/TEC-housing2122>

Expenses and fees

Costs are expressed in USD and are approximate. Charges are made in Mexican pesos (MXN).
