

## General Information

Founded in 1943, Tecnológico de Monterrey is a private University located in Mexico with 26 campuses across the country and a population of more than 9,000 professors and over 90,000 students enrolled in high-school, undergraduate & graduate programs.

Ranked among the top 200 universities in the world and with a rating of five QS stars, Tecnológico de Monterrey achieved full marks in the categories of internationalization, innovation, employability, facilities, and specialist criteria.

Tecnológico de Monterrey strives to develop the students' professional and human potential through a high academic level, state-of-the-art resources and experiences that will help them nourish and transform the world they live in, with an international and broad perspective.

## Nomination and Application Process

### Nomination

- 1) Go to [studyinmexico.tec.mx](http://studyinmexico.tec.mx) and click on NOMINATE HERE.
- 2) Login with your username and password. If you have problems or have forgotten your login credentials, please contact [studyinmexico@itesm.mx](mailto:studyinmexico@itesm.mx) for assistance.
- 3) After nominations are submitted, students will receive an email with a link to proceed with their application.

### After nomination

- 1) Students will receive an email with the information to start the application, which is also available at [studyinmexico.tec.mx](http://studyinmexico.tec.mx) > APPLY NOW. **Students must apply with the same email that was used for their nomination.**
- 2) As an admission requirement, students must upload a scan of their valid passport.
- 3) The admission decision will be sent via email. Students can download their acceptance letter from the website in which they sent their application.

## Academic Offering

Tecnológico de Monterrey offers 47 undergraduate degrees under 6 different schools, all with a wide variety of courses in English and Spanish each term, providing students with a rich overview of different perspectives from various cultures:

Medicine and Health Sciences

Business

Humanities and Education

Engineering and Sciences

Social Sciences and Government

Architecture and Design

For more information about courses, please review the following link: <http://bit.ly/TECcourses>.

**NOTE: Not all 47 disciplines are available at all campuses. The School of Medicine and Health Sciences is only available at the Monterrey, Guadalajara and Mexico City Campuses.**

## Credits and Evaluation

The amount of credits given by a course is defined by the amount of hours a student has to spend in the classroom weekly.

- ▶ Class size averages 30 students.
- ▶ Homework is assigned regularly.
- ▶ Evaluation typically considers 2 partial and 1 final examinations
- ▶ Minimum passing grade of 70/100.

## Available programs

Each campus offers a unique experience, and among the offering, all students are able to find a program that suits their profile and fulfills their expectations of our country

Regular courses  
(English & Spanish)

Internships

Research projects

Community  
Engagement

<b>Exam period</b>	Sep 18, 2020	Dec 11, 2020	Mar 19, 2021	June 11, 2021

## Migration Process

The migration process is defined by the nationality of the student.

★ **Non-restricted nationalities:** Require an FMM (migratory form obtained upon entry to the country), but do not need a visa if the stay is for 180 days or less (semester or summer).

★ **Restricted nationalities:** Require a visa that must be issued at any Mexican consulate or embassy, regardless of the time of stay. To review the list of restricted nationalities, visit: <https://www.inm.gob.mx/gobmx/word/index.php/paises-requieren-visa-para-mexico/>

**Everyone coming to Mexico for more than 180 days (a year or more), is required to have a visa.**

## Health Insurance

Tecnológico de Monterrey requires all international students to have an international health insurance with specific coverages and amounts during their stay. SURA created a policy that covers and exceeds all our minimum requirements. Detailed information about the insurance and online purchase is available at: <https://intercambioseguro.com/en/#>

- ▶ If students already have an insurance that covers all the requirements, they can use it by sending a proof of purchase and coverage.
- ▶ If students do not have an insurance that covers all the requirements, they must purchase one, either individually with their preferred company or in the SURA website.

Concept	Minimum amount (in USD)
Medical expenses in case of sickness/accident	\$120,000
Repatriation of remains	\$15,000
Medical evacuation in case of sickness/accident	\$50,000
Travel expenses for a companion	\$3,000
Civil responsibility and third party liability	\$100,000
Injuries caused by the amateur practice of a high risk sport	Included
Injuries caused by a weapon in case of assault or robbery	Included
Guarantee of direct payment	Included

## Accommodation

Each campus has different accommodation options. Please note that not all the options are available at all campuses and the cost for each varies from city to city.

### Host Family Program

Live with a Mexican family and learn about our culture and traditions while experiencing the Mexican hospitality. Each family will provide a unique experience.

### Off-Campus accommodation

List of independent options around campus, ranging from rooms to complete houses. All arrangements must be handled by the students.

### On-Campus Residence Halls

Residences managed by Tecnológico de Monterrey providing a suitable environment for national & international students.

To review availability of the different accommodation options in a specific campus, please visit <http://bit.ly/TEC-accommodation>

## Expenses and fees

- ▶ Costs are expressed in USD and are approximate. Tec de Monterrey charges tuition and services in Mexican pesos.
- ▶ Costs are subject to change without previous notice.
- ▶ Costs vary from campus to campus. To review costs on each campus visit [www.studyinmexico.tec.mx](http://www.studyinmexico.tec.mx)
