FACTS about Russians

Russians love being hospitable

They love inviting guest and visiting friends. During visits, main feature is general served table with all Russian delicatessen. Invitation for a cup of tea mean that the guest should come with empty stomach and gift in hands.

Do not come without gifts

Even when they are visiting friends. Gift can be cake, candies, a bottle of wine or a chocolate for the children.

Statue of “eternal student”

Statue “eternal student” is the main symbol of MIIT and a lucky charm of students. The statue is located on MIIT territory near the main entrance of the first building. Students believe that he will bring luck on studies and exams for those who will touch his book. Many students follow this tradition before the start of exams. In addition, they believe that his right shoe brings success.

Value real friendship

Friendships is important in Russians’ live. A sincere friend might be valued higher than a blood relative.

Russians like a good chat

Russians love discussions and freely express their opinions.

Value Women

The world knows that Russia is a country of the most beautiful women. Russians threat women in a special way. This can be seen as giving up place in a public

transport, offering hand to help a women get out of the car or to help with carrying heavy bags.

Russians love jokes

Russians are generally very cheerful people. They love joking, pulling each other's leg, and telling funny stories. They value a good sense of humor and are capable of joking at their own expense.

Main Holidays in Russia

Main holidays in Russia are New Year, Christmas, Tatiana's day= Students' day, Defender of the Fatherland Day, Maslenitsa festival, International women's day, Easter, Spring and Labor Day, Victory day, Russia's day and Religious Holidays of Russian People.

Medical care

Healthcare in Russia is organized by the state and by private companies. Foreign students need a health insurance to be able to use state hospitals and health centers, including student clinics. Private clinics serve patients without insurance as long as they cover their own expenses. The cost of insurance is about 48-90 US dollars per year.

Foreign students, which are coming to Russia for studying the whole degree (from one term to 4-5 years) needs specific health insurance (an ordinary travel health insurance policy from their country of origin is unsuitable).

Leisure activities and free time in MIIT

MIIT organizes many different festivals and events for the students as festivals of student creativity "Day of freshmen", "Spring of MIIT", competition for the title "Miss and Mister MIIT", photo contest "Cover of the Year", departures of propaganda teams and patriotic groups, as well as all styles of dances, vocals, theater, KVN and many Other creative genres. During the academic year, MIIT students can take part in more than 150 university, interuniversity, district and city events that take place in both the MIIT Palace of Culture and the best venues of the city.

Sport

Students of MIIT have discounts for gym, which is located in the sport center. Monthly average cost of fitness center pass in Moscow varies between 32 - 82 US dollars. Usually when you buy an annual pass, the average monthly cost will be lower. A monthly swimming pool pass costs 5 - 8 US dollars in Moscow.

Prices in Russia

On average foreign student needs 360 US dollars per month or about 3600 US dollars per academic year (September to June). Foreign students should prepare for some extra expenses like medical insurance, living arrangements in an apartment or dormitory (buying dishes, bed linen, detergents etc.)

For MIIT students accommodation is 50 US dollars per month. Meal expenses depends on the region where people live, and what and where they buy (corner shop, supermarket, and market). Russians estimate their monthly meal expenses to fall between 130 US dollars and 320 US dollars.

An average lunch in MIIT costs between 3,5- 5 US dollars. While average set lunch outside of MIIT costs 4-6,5 US dollars. Fast-food prices are even lower.

Transport

A single journey on the Moscow subway costs 1 US dollar, while a 20-journey travel card costs 11 US dollar. Using a student discount one can get a monthly Moscow underground card for 6 US dollars.

Mobile communication and Internet

SIM-cards for mobile phones and tablets can be bought in phone stores (do not buy them from street sellers). You need a national passport (indicating registration at your place of residence) and a migration card to buy a SIM-card. The cost of a standard package of services ranges from 5-7 US dollars.

Student dormitories of MIIT offer free Internet access.

Clothing

The clothing prices are generally higher than in Europe but cheap clothes can always be found during the sales. There are plenty of chain stores of popular brands, both international and Russian. For example, you can find a T-shirt for 5 US dollars or jeans for 21 US dollars.

Cultural pursuits

Moscow theatre tickets cost about 8 - 40 US dollars and cinema tickets 3-8 US dollars. A museum costs 2 - 16 US dollars. Many cultural centers offer discounts for students, and some museums are free of charge with a valid student card.

Entertainment

Entry to clubs in Russia is generally free of charge, and visitors can buy drinks and snacks. The average price of a cocktail in Moscow clubs is 7 US dollars. Young people in Moscow spend 32 - 80 US dollars per weekend.

12 Dishes that must be tasted in Russia
