Overview

We look forward to welcoming you to our Deutschlandstipendium Scholarship Ceremony at TU Dresden.

Friday, 30. January 2026, Admission 5:30 p.m.

Festive Program: 6 p.m. Schönfeld-Hörsaal, Georg-Schumann-Str. 13

Get Together: 7:15 p.m. Alte Mensa, Entrance Helmholtzstraße/Bäringarten

This year's scholarship ceremony marks a special anniversary: 15 years of the Deutschlandstipendium. For a decade and a half, the program has been supporting committed young talents and stands for sustainable investment in education and the future.

In keeping with this topic, we are delighted to welcome Prof. Dr. Hornuf to the festive program with his TEDxTalk "The Future of Money – How the Stock Market is Becoming Sustainable." You will also have the opportunity to meet our new Vice-Rector Academic Affairs Across the Life Course and we will be honoring the scholarship holders of the Gemeinsam+15 donation campaign. The celebration will be accompanied by music from scholarship recipient Sharon Hufken. At the Get-Together in the Alte Mensa afterwards, sponsors and scholarship holders will have the opportunity to chat over food and drinks.
