

# Waste Disposal Guide TU Dresden

Which Waste...	goes where?
Residual/non-recyclable waste, dirty packaging (e.g. with food leftovers)	Three-part bins (black flap) in the buildings or black containers for residual waste in front of buildings
Lightweight fractions, packaging bearing the "Grüner Punkt" (green dot)	Three-part bins (yellow flap) in the building or containers with yellow flap in front of buildings
Organic waste (food leftovers)	Three-part bins (black flap) in the building or general waste container in front of the buildings
Paper, cardboard and cardboard packaging	Paper basket or three-part bins (blue flap), huge quantities into the containers with blue flap outside the building
Confidential files or documents containing personal information, scientific papers etc.	Order a data protection container. Use the form "Datenschutzcontainer-Anforderung" on the intranet or contact group "Environmental Protection": <a href="mailto:umweltschutz@tu-dresden.de">umweltschutz@tu-dresden.de</a>
Glass for recycling (not contaminated)	Please dispose glass waste yourself in the depot containers of the public cleansing service of Dresden. Information on facilities can be requested at: <a href="mailto:umweltschutz@tu-dresden.de">umweltschutz@tu-dresden.de</a>
Batteries	Battery collection bins in the buildings or contact group "Environmental Protection": <a href="mailto:umweltschutz@tu-dresden.de">umweltschutz@tu-dresden.de</a>
Mobile Phones	Collection bins of the charity project HandyCap can be found in Mensa Siedepunkt, at StuRa office and in the foyer of the chemistry building on Bergstraße 66
CDs, floppy disks, data carriers, transparencies, films, toner and ink cartridges, printer ribbons	Small quantities via internal post to the group "Environmental Protection" (D4; SG 4.4. Gruppe Umweltschutz). In case of huge quantities please contact <a href="mailto:umweltschutz@tu-dresden.de">umweltschutz@tu-dresden.de</a>
Display screens, monitors, electronic devices	Collection after filling in the form „Antrag auf Absetzung aus der Bestandsdatei“ (available on the Intranet)
Office furniture	Collection after filling in the form „Antrag auf Absetzung aus der Bestandsdatei“ (available on the Intranet); check of furniture for further use
