## Description of the application

### Abstract

Please write a short abstract (max. 1,500 characters) of your application. **If approved, the abstract may be published on the web pages of the TU Dresden.**

Notes:      Go into detail about what is going to be implemented with the requested funds.  
              Explain the background and your motivation for the application. Describe the goals  
              that are to be pursued. What long-term results are envisaged?

**Description of the implementation**

Describe the planned implementation of the project (max. 2,500 characters). For a detailed explanation, please use additional documents such as time/project plans, concepts. A project plan is obligatory if planned funding amounts to 5.000€ or more.

Only teaching-learning projects: In an additional document describe the didactic concept of your project. For the relevant aspects of your concept visit the FOSTER website: <https://tud.link/jkss>

**Support of scientific careers**

To what extent does the planned project support students (or yourself) in their scientific careers?  
(max. 500 characters)

**Integration of the project**

Is the project planned as part of an existing project, initiative or similar? Is it integrated into the curriculum or will it be possible to earn credits towards a degree program? (max. 500 characters)

**Long time impact**

How can your project have a lasting positive effect on TU Dresden? How does it contribute to the further development of the student research culture? Is a repetition/continuation of the project planned? (max. 500 characters)

**Other explanatory notes**

Do you have any further explanations regarding your project? (max. 500 characters)

## **Financing and accounting**

**For the approval of your application it is necessary that you submit a financial calculation!**

This calculation must show the total amount requested. Please divide the planned costs into material and personnel resources. Other sources of funding must also be listed in this calculation.

### **Advice on financing**

- Double financing by FOSTER and other financial sources is excluded.
- Should your actual costs exceed the amount of funding, they must be covered by other sources.

## **Allgemeines**

- **Send your digital, signed application to [foster@tu-dresden.de](mailto:foster@tu-dresden.de)**  
Should you have any questions or problems, please contact ZiLL, Dr. Franziska Schulze-Stocker by e-mail.
- The application at FOSTER is possible all year round.
- For large-scale projects additional documents might be requested or you might be asked to provide further information.

## **Final Report**

After completion of your project, a final report on the project must be submitted. This report will not be published and is intended for the further development of the FOSTER program.

## **Declaration of Consent Data Protection**

I hereby confirm that I have read and understand the data protection information below, have been provided with a copy, and that all related issues have been resolved.

## **Declaration of Consent Publication**

I hereby give my consent that, in the event of successful funding, my surname, first name and organizational unit will be published in addition to a description (e.g. abstract) of the project.

## **Participation as Reviewer**

I agree to be added to the list of potential reviewers for future FOSTER requests.

## **Signature (digital or physical)**

**Feedback (Optional)**

Feedback is optional and has no influence on the processing of your application.

## Data Protection Declaration for: FOSTER - Funds for Student Research

### For what purpose will personal data be processed?

As part of the Excellence Strategy of TU Dresden, FOSTER is the funding program for student research projects. The processing of personal data is necessary for the application itself, the evaluation of the application, possible funding as well as later accounting and internal evaluation including its possible presentation on the website of TU Dresden. Detailed information on the funding program can be found here: <https://tud.link/ir4i>

### Wer ist für die Datenverarbeitung verantwortlich und an wen können sich Betroffene wenden?

Technische Universität Dresden  
Contact:  
Centre for Interdisciplinary Learning and Teaching (ZiLL)  
Dr. Franziska Schulze-Stocker

Tel.: +49 351 463-32839  
Email: [informationssicherheit@tu-dresden.de](mailto:informationssicherheit@tu-dresden.de)

### What is the legal basis for the processing of personal data?

The legal basis for the processing of data for the aforementioned purposes is Art. 6 para. 1 and subpara. 1 lit. a GDPR (Consent).

### What personal data will be processed?

The personal data specified in the respective application forms or communicated in other ways (supplementary sheets, subsequent submissions, mail correspondence, etc.) are processed. This includes, in particular, the name, academic title, degree program and semester, contact details (email, telephone number, etc.) as well as the organizational unit.

### For how long is personal data stored/processed?

For the internal evaluation of the FOSTER project as part of the Excellence Strategy, the name, degree program, semester, academic title and organizational unit will be stored until December 31, 2026.

For all other personal data, the following applies: If it is concluded that no funding agreement will be drawn up, this data will be deleted immediately. If a funding agreement is to be drawn up, the data will be stored for the duration of the funding agreement and then deleted. An exception to this is data, for which a longer storage period is legally stipulated for budgetary reasons to safeguard the proper use of funds. This period is 10 years.

### Will personal data be transferred to third parties?

Applications for funding and corresponding personal data may be transferred within TU Dresden in order to evaluate the application. The evaluation is carried out by members of TU Dresden (lecturers and students), who are bound to secrecy within the scope of this activity. The transferred data is limited to the academic title, degree program and semester, as well as the organizational unit.

Personal data is also transferred to the respective funding body as part of the application and in the event that a funding agreement is drawn up. After termination of the funding agreement, the data required for the proof of proper use of funds will be transferred to the respective funding body. Unless stipulated otherwise by law or unless you have given your express consent, no personal data will be transferred to third parties.

### Is person-related data published?

In funding is approved, a brief overview of the content of the applications as well as the results is to be published on the website of TU Dresden, alongside the name, academic title and degree program or institution of the applicants and/or funded persons. Your consent is required for this (upon application or thereafter). Giving this consent is voluntary and does not affect your application in any way.

Note: Upon publication on the internet, the use of personal data by unknown third parties cannot be ruled out.

### Which are the general rights of data subjects?

#### Voluntariness and Revocation (Art. 7 para. 3 GDPR)

The submission of personal data is voluntary. Consent may be refused or revoked at any time without giving reasons by writing to the person responsible.

#### Right of access to personal data (Art. 15 GDPR)

You have the right to obtain information on the data processed concerning your person, as well as the possible recipients of this data, at any time. You are entitled to a reply within one month of the responsible party for the data processing receiving your request for information.

#### Right to correction, deletion and limitation (Art. 16 - 18 GDPR)

Data subjects can contact TU Dresden at any time to demand the correction, deletion or the limitation of processing of their personal data.

#### Right to data portability (Art. 20 GDPR)

Data subjects may request that the responsible party send them their personal data in a machine-readable format. Alternatively, you can request the direct transfer of your personal data to a different responsible party, insofar as this is possible.

#### Right of appeal (Art. 77 GDPR)

Data subjects can at any time contact TU Dresden's Data Protection Officer and, in the case of a complaint pursuant to Art. 77 GDPR, the responsible supervisory authority for data protection.
