

Preliminary Programme of the Specialist Group

Hosting organisational unit(s) Career Service

Title of the Specialist Group Occupational orientation and career entry support – The challenges for Career Services facing internationalization

Short description of the content and aims of the Specialist Group

The Career Service provides support to German and International students on occupational orientation and career entry. This specialist group will share information, experiences and best practice examples regarding the internationalization of career service work.

There will be three sessions focusing on the following aspects:

Tuesday, 13 June Session I	
Topic: Who we are and what we do	
Location: Strehlener Str. 22/24, 01069 Dresden, 5th floor, room 511	
1:30 - 2:15 pm	Introduction of the Career Service at TU Dresden Katharina Maier, Birgit Brand, Linda Clauß – Career Service)
2:15 - 3:30 pm	Getting to know each other – Colleagues from all over Europe
	Discussion of institutional approaches to internationalization in occupational orientation and career entry. Each participant is kindly asked to contribute to the discussion.

Wednesday, 14 June Session II	
Topic: How we support international students (I)	
Location: Strehlener Str. 22/24, 01069 Dresden, 7th Floor, Conference room	
9.30 - 10.15 am	Introduction of the BENEFIT programme: counselling, workshops and company contacts for the (regional) career entry of international students - goals, achievements & challenges (Birgit Brand – Coordinator BENEFIT programme Career Service)
10.15 - 11.00 pm	Discussion of special needs of international students, successful proposals and challenges as international students networks and companies' attitude
11.00 am – 12.00 pm	Exchange different approaches and create new offers.

Thursday, 15 June Session III	
How we support international students (II)	
Location: Strehlener Str. 22/24, 01069 Dresden, 5th floor, room 511	
9.30 am – 11.00 am	Introduction of the LEONARDO-BÜRO SACHSEN at TU Dresden: providing service regarding

	international internships, both inbound and outbound mobility. Exchange of experience resp. best practice regarding the requirements of international students and host institutions to achieve good quality internships and maintain long lasting cooperation (Claudia Schönherr – LEONARDO-BÜRO)
