

## **Der Vorstand**

## Nomination for the GFF Award for innovative student-designed teaching and learning 2024

| Details of the course                         |  |
|---|--|
| Course title                                  |  |
|   |  |
| Course type                                   |  |
| Lecturer(s)                                   |  |
|   |  |
| School/Faculty/Institute/                     |  |
| Central Academic Unit                         |  |
| Name of the module to which the course is     |  |
| assigned                                      |  |
|   |  |
|   |  |
|   |  |
| Classification of the target audience         |  |
| As part of which degree program / subject is  |  |
| the course offered?                           |  |
| For which semester(s) is the course intended? |  |
| Goals of the course (what knowledge/skills    |  |
| should the students acquire?)                 |  |
| Reason for the proposal:                      |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
|   |  |
| Information on the nominee                    |  |
| Name(s)                                       |  |
|   |  |
|   |  |
| Faculty / Institute / State                   |  |
