

**Rejection of an examination result for a preliminary examination
or examination taken in the summer semester 2020
according to Senate Resolution No. IV of April 29, 2020**

I

Last name, name, registration number

hereby reject the result of the preliminary examination/examination*

Title of the preliminary examination /examination; specification of the examination number

of the Module

Name of the module; module number according to module description or specification of the examination number

that I performed on

Examination date

I am aware that with this rejection, the evaluation of the above-mentioned preliminary examination /examination* is voided and legally no longer valid. I can take this preliminary examination/examination* again under the same conditions at a time of my choice, considering any time limits for repetition from previous examination attempts.
